A Letter from Our Founder

Dear Partner,

Every year, women gather at the Freedom Daughters Summit not just to attend another event — but to experience transformation. What began as a simple vision to help women walk in freedom and fullness has become a movement where stories are rewritten, healing takes place, and purpose is reawakened.

In January 2026, we will gather once again for our 4th Freedom Daughters Summit under the theme “She Bears Fruit.” This theme isn’t just symbolic — it’s a divine call for women to flourish in every area of their lives: faith, purpose, relationships, health, and community.

When you choose to partner with us, you’re doing far more than placing a logo on a banner. You’re planting seeds into the lives of hundreds of women who will go back into their homes, workplaces, and communities renewed and ready to bear fruit that lasts. Your brand’s support doesn’t just fund an event, it helps women heal, grow, and walk in freedom.

Our attendees are mothers, students, leaders, business owners, and dreamers; women who influence culture and community every day. With your partnership, we can ensure that their experience is one of excellence, inspiration, and lasting impact.

Thank you for considering joining us in this mission. Together, we can create an unforgettable experience that uplifts, equips, and empowers women to flourish, and we would be honoured to have your brand stand alongside us in that purpose.

With gratitude and expectation,

Symphonie Poaty-Junior
